020: £110 members/£120 non-members

021: £165 members/£175 non-members

022: £165 members/£175 non-members

## **F.A.Q's:**

### **What does non-member refer to?**

Non-members of Chipstead Place Lawn Tennis Club must pay a Non-member fee each term. If you are already a Member you pay the cheaper rate. Membership forms can be found by copying and pasting this link:

<http://www.cpltc.co.uk/join-us>

### **What is the difference between 'Recreational', 'Competitive' and 'Performance' squads?**

**Recreational-** This means attending **one squad per week**. Players in this stream would generally be junior players who are new to the sport or young children just starting out as well as teens that choose to just play socially.

**Competitive-** This means attending **two squads per week**. Players in this stream will be looking to play competitively meaning players will be required to attend match play on a regular basis and may look to take part in LTA sanctioned tournaments outside of the club to enhance their development as a match player. Players in this stream can expect to become competent match players and begin to learn the game in greater depth.

**Performance-** This means attending **three squads per week** and taking part in regular competition during the term time as well as in the holidays, including LTA sanctioned events outside of the club on a regular basis. Players in this stream will be required to demonstrate high levels of commitment to improving their competitive game and can expect high levels of improvement as well as a deep understanding of competitive tennis.

### **What if me or my child would like more opportunities to play?**

We will **ALWAYS** try our very best to support players in their mission to improve their competitive tennis, so please feel free to contact me on **07966130242** or email [adam@artennis.co.uk](mailto:adam@artennis.co.uk) should you wish to discuss an effective program to maximize development or discuss what the next steps might be for taking a players tennis to the next level.

### **What if myself or my child would like to get involved in competition?**

Competing is an essential way to understand the relevance of skills learned in training and to develop tactically as a player. Simply put, if you never compete, you never truly learn the game and foster the motivation behind attending training sessions. We offer many opportunities to compete for both children and adults at all levels, so please feel free to contact me for more information.

### **Do you offer individual lessons and what is the cost?**

Adult Individuals can be booked at a rate of £40 per hour for Chipstead Members and £45 for non-members.

Junior individual lessons can be booked as a supplement to a Junior's program- however they must be committing to regular competition in most cases before a regular time slot can be arranged.
